Experience:

Olga joined Equal Assurance in early 2007 to provide a range of audit services to clients. Key focus areas include independent external audits in quality, OH&S and environmental management systems. She is a self motivated integrated management systems specialist with 7 years technical and managerial experience as Senior Lead Environmental, OH&S and Quality Systems Assessor for BHP Billiton, BlueScope Steel, and NCS International, complemented with previous 25 years in the field of industrial chemistry.

Olga has gained valuable expertise across a variety of analytical laboratories, stack and air emission testing and occupational hygiene at BlueScope Steel, Incitec and BHP Billiton in Port Kembla, as well as Senior Technical Officer at University of Wollongong's Science Faculty.

Key attributes include excellent organisational skills, commitment to "Share Best Practice" for quality, safety and environment management systems, and a strong desire to reach a successful outcomes in risk management.

Throughout her career, Olga has been actively engaged in OH&S issues, primarily as a safety professional. Key responsibilities have included safety training, hazard/risk management, hazardous substance registers, MSDS and their associated risk assessments, safety incident reporting and implementing behavioural change.

Olga Lihou has won numerous awards including Highly Commended in Building and Construction in 2009 and Outstanding Business Person of the Year 2010.
