Experience:

Paul joined Equal Assurance in early 2008 to provide a range of audit services to clients. Experiences and achievements include 27 years in quality management, 14 years in HS&E management and 14 years in human resources management. Other achievements include:

- An engineering background that stems from a 3 year formal apprenticeship to extensive global experience in Engineering, Fabrication, Chemical, Ministry of Defence, Oil & Gas and Mining industries.
- Numerous implementations of ISO9001 Quality Management Systems in the United Kingdom, Australia and South Africa.
- Global implementation and management of Company policies and systems, within regional areas and for new Company acquisitions.
- Design and facilitation of a "HSE Fundamentals" training course for the CUCBM in China.
- Gas rig safety audits in China (Sino Gas & Energy).
- HR advisory services for strategic planning, company restructuring, disciplinary, legislative, performance and recruitment requirements, including lawyer briefings and Industrial Relations hearings.
- Incident investigations, including the breakdown of incident contributing factors, recommendations and assessment of their controllability.
- Design and maintenance of Material Safety Data Sheets in accordance with the requirements of NOHSC, including a web site product data base.
- QHS&E input into major tenders and documentation of contract QHS&E plans.
- Coordination and provider for Management system, IR and safety awareness training programmes.

Paul Sexton is currently engaged with Imdex Limited, and is able to provide services outside of this engagement under independent non-conflict of interest arrangements.
