robinson_howell
...solutions for profitability and competitive advantage

Credentials:

- Master of Business Administration
- Certificate of Quality Engineering
- Bachelor of Applied Science (Applied Chemistry)
- Lead Quality Auditor
- OH&S Auditor
- Lead Environmental Auditor
- Certificate IV in Workplace Training

Experience:

Stephen joined Equal Assurance in early 2008 to provide a range of audit services to clients. Key focus areas include independent external audits in quality, OH&S and environmental management systems, along with related training services.

Prior to becoming a director at Robinson Howell, previous appointments included KPMG, Computershare, P-E International, Hilton Hosiery and Du Pont.

Career achievements have included:

- The presentation of a bi-lingual Lead Assessor Training Course for the Indonesian Government in ISO 9001 and ISO Guide 25.
- The presentation of over 30 public Lead Assessor Training Courses in Australia and Asia.
- The development and presentation of courses for clients including topics such as ISO 14001, APQP, Lean Manufacturing and Six Sigma.
- Project management for the AMP Demutualisation Ballot (1997).
- Project management for the NRMA Demutualisation Meeting (2000).
- Project management for the AWB Inaugural Election of directors (1998-1999).
- Managed, co-ordinated and facilitated process improvement teams with voluntary involvement of the workforce that (as well as many cost savings) had up to a 12% participation rate (i.e. 21 teams of 5 people per team, in a population of 850).
- Development of a system for the development of new products which consistently provided a 3 month turnaround from the idea to a fully developed and trailed product which met budget profit margins and was approved by the Marketing, Production and Design.
- Development of an integrated management system to meet the requirements of ISO 14001, TS 16949 and AS 4801.
