## Experience:

Steve joined Equal Assurance in early 2008 to provide a range of audit services to clients. Key focus areas include independent external audits in quality, OH&S and environmental management systems, along with related training services.

Steve's origins began in the critical industry of aerospace, where management disciplines and systems were paramount to the viability and on going success of those operations. He is recognised within the Australian compliance industry for providing sound solutions for the design, development, implementation and independent audit of management systems.

Steve has a passion for business, including the reduction of organisational risks and cost management, and has over 25 years experience in both the service and manufacturing industry sectors.
