## **Experience:**

SK Puri joined Equal Assurance in 2010 to provide a range of audit services to clients for ISO 9001, ISO 14001 and AS 4801.

Since his graduation in Mining Engineering 35 years ago, SK Puri has been working in Indian Coal Mines, in both underground and opencast (U/G &O/C) mines. He has experience of working in various senior positions in the Coal Industry in close collaboration with Thermal Power Plants, Research Institutes, etc. He has also worked at Gevra Area as Chief General Manager.

SK Puri has conducted many audits in the domains of quality, environment, energy, safety, social, food safety and security. He is a registered Senior Auditor for EMS; Lead Auditor for QMS with NRBPT of QCI; with IRCA UK for Occupational Health and management System OHSAS 18001:07; OHSAS Lead Auditor Certification with IRCA; and QMS ISO 9001:2008 and ISO 14001:2004 with IRCA. He has conducted audits for O.N.G.C for Quality, Environmental Management and Occupational Health and Safety Management systems at their drilling sites, gas gathering stations and gas collecting stations. He has also audited for Great Eastern Energy who are engaged in exploiting Coal Bed Methane at Asansol India. Moreover, he has had experience with Petroleum Geology.

SK Puri has conducted a number of training courses for Coal Geology. These include courses for Gail (India) Pvt Ltd, ONGC IPSHEM Goa, Greater Noida Industrial Development Authority, NOIDA (Authority), Galaxy Infrastructure, Engineering Projects India Ltd, RCF Ltd, Pragati Power Station. In addition, he has led OHSAS 18001:2007 training for the executives of several organisations. He has also conducted Lead Auditor training courses for TQA and QMI.
